

A lush green putting green with a stone pool and tropical trees in the background. The green is made of synthetic turf and features three white flags on black poles. The pool is on the left side, and the background is filled with dense greenery, including palm trees and other tropical plants. The sky is a clear, light blue.

**PRO/GREEN®**  
SYNTHETIC TURF SYSTEMS

## PG 4000

A short pile height turf that can be used for fully customizable putting greens, bocce ball courts, and other spaces needing an extra short yet durable turf. The stimp level can be controlled by the amount of infill used – the more infill, the higher the stimp level. PG 4000 utilizes slit-film fibers, making it extremely durable for all levels of activity.

# PG 4000
