

A photograph of a golf course featuring a large, vibrant green putting green in the foreground. A white sand trap is situated in the middle ground, surrounded by a border of light-colored rocks. In the background, there are several tall pine trees and some deciduous trees with yellowing leaves, suggesting an autumn setting. In the immediate foreground, there are purple flowers, possibly lavender, which are slightly out of focus. The sky is overcast and grey.

**PRO/GREEN®**
